Description

Description: Surroundings of Poreč, interesting building plot on the edge of the village In the suburbs of the city of Poreč, this interesting building plot of 750 m² with a separate entrance is for sale. It is possible to build a holiday villa or a family house

on one floor that offers a beautiful view of the sea even from the ground floor. Infrastructure such as electricity and water are located right next to the plot. The place is located within a larger town, only 10 km from Poreč and the beaches. A typical Istrian place with stone houses. Facilities such as shops, restaurants, promenades, school, kindergarten are located near the place, a few minutes by bike. Due to its extremely quiet location and sea view, this property is an ideal investment for building a vacation villa. ID CODE: 1031-981
