On the ground floor of the house there is a studio apartment with its own bathroom. On the first floor there is an apartment with one bedroom, bathroom, living room, kitchen and dining room. The apartment, located on the second floor, is spread over two floors. The first floor consists of a kitchen with a living room, a bathroom and a bedroom, while the gallery space in the attic serves as an additional room. The house was completely renovated with high-quality materials, and during the renovation, attention was paid to the details in order to keep the house authentic. Considering the location where the house is located and the fact that it consists of several apartments, it is a favorable rental for tourist purposes. Rovinj is one of the most beautiful cities in Croatia. Whoever visits Rovinj once, hardly forgets it and most often returns to it again. The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Rovinj is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays during the season for several years in a row. Rovinj's beaches are typical for this part of the northern Adriatic. You will most often find rocky gardens and pebble coves that repeat rhythmically along the 67 kilometers of Rovinj coastline. The Zlatni rt Forest Park, located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember.
