Description

Description: Istria, Rovinj, surrounding area An attractive building plot for sale in the vicinity of Rovinj, with an area of 1264 m². The land is flat and of regular shape, making it ideal for construction. It is located in a well-connected area, with access to all

major roads. What makes this land particularly appealing is its proximity to the sea, which is only a 15-minute drive away. Future buildings could enjoy a beautiful sea view. Infrastructure is located right next to the plot, facilitating the start of construction. This property represents an excellent opportunity for investors, whether it is for building holiday homes or permanent residences. All necessary amenities for a comfortable life are in the immediate vicinity, including shops, restaurants, a school, and a pharmacy. Do not miss the opportunity to invest in this land that offers all the necessary conditions for a comfortable and quality life or tourism activities in one of the most beautiful parts of Istria.
