If you want to enjoy beautiful Rovinj, especially the old town, without additional investments in real estate, this property could be your perfect choice. This property is an ideal investment for those who want something unique and special. Rovinj is one of the most beautiful cities in Croatia. Whoever visits Rovinj once, hardly forgets it and most often returns to it again. The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Rovinj is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays during the season for several years in a row. Rovinj's beaches are typical for this part of the northern Adriatic. You will most often find rocky gardens and pebble coves that repeat rhythmically along the 67 kilometers of Rovinj coastline. The Zlatni rt forest park, which is located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember.
