Description

Description: Istria, Barban, surroundings In the vicinity of Barban, in a small town, this antique is located. It is located in a quiet street at the end of the row with its own access to the plot. The first beaches are a 20-minute drive away, while all the necessary facilities for life are in the immediate vicinity. The house is surrounded by family houses, holiday homes and lots of greenery. The house covers the existing 57m2 floor plan. According to the conceptual project, the house is spread over 3 floors with a combination of the indigenous part with a new and more modern style. Also with large terraces and landscaped garden with a swimming pool. The yard covers 550m2. This property offers an ideal opportunity for anyone who is ready to live away from the hustle and bustle of the city in a quiet place surrounded by nature. This location makes a great place for a peaceful family life, but also for the same reason a good location for tourism. We are at your disposal for any additional information. ID CODE: 1037-354
