Description

Description: Istria, Rovinj Just a few minutes' drive from the center of Rovinj, in a family settlement, there is a building that is in the final stages of construction and its completion is planned for 03/2023. There is a children's playground nearby, which is an excellent indicator of a quiet location. On the second floor of the aforementioned building, there is an apartment measuring about 86m² and with a parking space in the garden. The entrance to the apartment leads to a spacious living room with a kitchen and dining room, and if you want some fresh air, there is also a covered terrace. From the living room there is a hallway that leads to three bedrooms, bathroom and toilet. The apartment is extremely bright throughout the day thanks to the wide windows in all rooms. In order for the offer of the apartment to be complete, there will be a roof terrace on the roof that will be used by the tenants to enjoy the sun and the view. With a great suburban location, this property is ideal for creating family memories. It has everything, the only thing missing is an owner who will decorate it according to his own wishes and breathe life into its walls! ID CODE: 1029-202
