Description

Description: Almost flat terrain, completely fenced and completely fenced with several natural watering cans. To the main road is about 200 meters, from where water and

electricity can be brought, if someone wants to make their own family farm. The terrain itself is Mediterranean vegetation and excellent conditions for raising sheep or for some other purpose. Since this land used to be cultivated, it can easily be converted into a breeding ground lavender, olives or some other crops. There is a small piece of white road next to the terrain, and it also guarantees privacy, but also traffic connections ID CODE: 804
