Description

Description: Duplex house in a quiet location that guarantees privacy. The layout of the house is great - on the ground floor there is a garage and a studio with a garden. On the first floor in front of the entrance there is a spacious terrace that connects with the terrace of the living area. The terraces offer an enchanting view of the Opatija Riviera. In the lower part of this duplex apartment there is a kitchen with dining area, spacious living room, bathroom and pantry, and upstairs there is a bathroom and three large bedrooms with access to the terrace. The house should be beautified. The road leading to the house is well connected, including the garage. It is possible to build a swimming pool and additional parking in the large garden. The location, tranquility and opportunities provided by this house are the great trump cards of this house. ID CODE: 738
