Description

Description:

In the village of Režanci, in central Istria, a building plot of 1770 m² is for sale. The land is of a regular shape, surrounded by vineyards and spacious pastures, and has direct access from an asphalted road. An exceptionally quiet and intimate location on the one hand, and proximity to amenities and good transport links on the other. Ideal for building a family house, apartment or holiday home. Dear customers, in accordance with the Law on Brokerage in Real Estate, viewing the property is only possible with the signature of the Brokerage Agreement. According to the same, the buyer has the obligation to pay the agency commission in case of realization of the purchase. ID CODE: 347
