Description

Description: This house in Vrisnik shines like new, offering 262 square meters of living space on a 1000 square meter plot. Positioned above the main road at the village entrance, it provides breathtaking views over the hills to the sea, ensuring tranquility away from traffic noise. The property features a serene backyard with a pool, multiple garden terraces with olive and orange trees, two garage spaces, and two additional parking spots. The ground floor includes an open-plan apartment with charming stone accents on the terrace and a cozy fireplace, perfect for relaxed living. The upper floor consists of two smaller apartments, each with balconies facing south and east, ideal for enjoying the sunrise and the stunning landscape. This home comes with a renting license for the upper floor, offering a great opportunity for passive income. Additional amenities include a small storage/wine cellar beneath the pool and a spacious storage/man cave with an additional fireplace below the house. Solar panels are installed for heating hot water and the pool, allowing extended use during the cooler months of spring and autumn.
