Description

Description: RIJEKA - DONJI ZAMET area, TOP QUALITY NEW RESIDENTIAL COMPLEX NEAR THE SEA AND ALL AMENITIES! For sale is a comfortable apartment, 1 bedroom + living room, with a loggia and sea view in a top quality new building in a sought-after location - near a school, kindergarten, shops and all the necessary amenities, and at the same time only ten minutes' walk to the sea and the beaches of Kantrida. APARTMENT 5.1 - 1st floor, with a net area of 57.13 m² consists of a corridor, living room with kitchen and dining area, bedroom, bathroom (total internal area is 48.73 m²) and loggia of 11.18 m². The apartment also has a separate storage room SP21 of 2.11 m². Garage parking space can be additionally purchased with the apartment: 1. GM70 of 14.18 m² - 20 561 EUR The luxury residential complex is situated on a sought-after location in the west of Rijeka - in area called Donji Zamet, close to all facilities, yet far enough from the city crowd. Proximity to various amenities necessary for a comfortable family life and vacation is one of the advantages of this project that needs to be highlighted. A sports hall, playgrounds, supermarkets, elementary school, kindergarten, shops, the

sea and the beaches of Kantrida, open tennis courts, all of this is situated in the immediate vicinity of the complex. Due to the proximity of the Rijeka ring road, you also can easily reach to the center of Rijeka or to Opatija in just 10-15 minutes by car. The building consists of 5 above-ground floors with a total of 40 apartments and 4 business spaces, and 2 underground floors where garage parking spaces and storage rooms for tenants are situated, and which are connected to the residential part of the building by an elevator. There are no completely north-facing apartments in the building, but all apartments are oriented west-south-east and have a beautiful view of the sea of the Kvarner Gulf, the island of Krk and Opatija. Each apartment has a spacious loggia or terrace. The apartments meet the highest construction and equipment criteria: • monolithic, reinforced concrete bearing structure • partition walls between apartments made of block bricks with improved sound-insulating characteristics, partition walls towards corridors made of block bricks additionally thermally and sound-insulated with mineral wool • ETICS facade, with 10 cm thick mineral wool - in the central part of the building, side "highlights" - ventilated facade made of composite panels • superior WICONA aluminum external carpentry with interrupted thermal bridge and double heat-insulating glazing filled with gas • underfloor heating and preparation of hot water on a heat pump (electricity or city gas is used as an energy source) • energy certificate A+ (the building is designed as an almost zero energy building, which means a building with significantly lower energy usage costs). **PRICE** The stated price refers to a completely finished apartment on a turnkey basis, without furniture. The price includes 25% VAT, the buyer doesn't pay the real estate transfer tax. In case of buying on a legal entity registered in Croatia it is possible to refund full VAT after the purchase.
