Description

Description: Viškovo, building land in the heart of nature. The land of 1117 square meters is located at the end of a quiet cul-de-sac, which is mostly inhabited by family houses. Access to the terrain is provided by an asphalt road, which facilitates

arrival and connection with the rest of the settlement. All relevant infrastructure is located in the immediate vicinity. The terrain has a slight slope, which allows for creative architectural solutions such as multi-level gardens, terraced yards or cascading terrains. This configuration also facilitates the construction of a building with basement or basement rooms, which can serve as additional living space, garage or storage. This quiet and secluded location is perfect for building a family home, cottage or residential project. Given that the location is surrounded by forest, it provides an additional sense of privacy and natural surroundings, which is ideal for lovers of nature and a peaceful lifestyle. The forest environment not only provides fresh air and peace, but can also offer various opportunities for outdoor recreation. The location provides an added sense of privacy and natural surroundings, which is ideal for lovers of nature, recreation and a peaceful lifestyle. We are at your disposal for any additional information. ID CODE: 2009-15
