Description

Description:

Krk, the island of Krk, a beautiful two-room apartment in a new building For sale is a luxurious two-room apartment located in a detached house with a regular rectangular shape, ideal for those looking for a perfect combination of modern design and top quality of life. This property is located in a quiet street, providing the perfect oasis of peace and privacy within an urban setting. The apartment offers a carefully thought-out arrangement of rooms, adapted for a comfortable and functional life. The entrance hall leads you to a spacious open space living room, a kitchen with a dining room, and two comfortable bedrooms. Living rooms and bedrooms have a southwest orientation, ensuring plenty of natural light throughout the day. In addition, the apartment has a modern bathroom and an additional toilet/laundry room, providing maximum comfort and practicality. Every detail in the apartment is made with an emphasis on quality and aesthetics. Parquets, ceramics and sanitary equipment are of high quality, and the optimal climate throughout the year is ensured by a heat pump that provides floor heating and ceiling cooling. The windows and glass walls are made of high-quality aluminum profiles from renowned manufacturers, and are equipped with electrically powered aluminum blinds, which provide additional protection from the sun and bad weather. Access to the building is arranged via an asphalt road with a sidewalk and public lighting, which ensures safety and comfort when arriving home. There are two parking spaces equipped with an electric charger in the landscaped garden, ideal for owners of electric vehicles. Pedestrian and vehicular access to the building is closed by a remote-controlled ramp, providing an additional level of security and privacy. The planned completion date is the end of 2024, which gives you enough time to plan your perfect home in this extraordinary apartment. ID CODE: 2008-77
