Description

Description:	<p>ISTRIA, BARBAN - Building land in a quiet location Barban is a small historical place located on the plateau that separates Labinština from Puljaština. The ancient Romans lived on the prehistoric hillfort. Throughout history, Barban was also known for its strategic position, dominating the hill and dominating the valley and the bridge over the Raša River. With the passage of time, the place became a fortress with walls, round and square towers, ramparts, large and small city gates and a castle. Today, Barban is famous for its knightly game of the Ring Race, the wine festival and the fig festival. In the vicinity of Barban, in a village, there is 808 m² of construction land, with an access road, and all the infrastructure next to the land. There is a beautiful view from the land. The proximity of cities (Pula, Rakalj, Barban) makes this land suitable for vacation, creating a family home or building a house with a swimming pool for vacation or tourist rental. The land is staked, and the seller has all the documentation about it. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 32593</p>
