Description

Description: We offer for sale a luxury villa under construction. The villa covers 153.90 m² of living space on a plot of 796 m². The villa consists of ground and first floors. On the ground floor of the villa there is an entrance area, a staircase leading to the first floor. The kitchen, dining room and living room are designed in an open space concept, which achieves connectivity and excellent communication. Open space is a type of space in which there are no walls and the space merges into one. A space where all barriers have been eliminated. A favorite of many precisely because it provides a sense of freedom, width and size, and erases the feeling of crowding. The villa will be designed in warm, bright tones in order to provide the future owners with total comfort and the beauty of modern interiors. A bedroom with its own bathroom, a separate guest toilet, a technical room and a laundry room are also designed on the ground floor of the villa. On the first floor, two bedrooms are designed, each with its own bathroom. What makes this villa special is its proximity to the city and the sea, yet enough distance from the crowds to enjoy the beautiful nature. If you want to live near Poreč and enjoy the beauty of Istria, this villa could be your perfect choice. Poreč is a city located in the heart of the western coast of Istria. A city of culture, tourism, sports and entertainment, awarded multiple times for its neatness and cleanliness. The town of Poreč, which is almost two thousand years old, is located in a harbor protected from the sea by the island of Sveti Nikola. Due to its extraordinary geographical location, today it is one of the strongest tourist centers in Croatia. A city of beautiful cultural and historical monuments, exemplary horticultural neatness and cleanliness. The city

also offers all kinds of accommodation and rich hospitality and tourism offers, especially sports and recreation, and is the most frequent destination of European tourists to Croatia. Custom ID: D-0219 Remark: Viewing the property is possible with the signing of the brokerage contract, which is the basis for further actions related to the purchase and sale, all in accordance with the Act on Brokerage in Real Estate Transactions. The agency commission is determined by the brokerage contract, and is payable after the conclusion of the sales contract.
