About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description: ISTRIA, RABAC - Land with sea view On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. In the vicinity of Rabac and Labin, near the fortified town above the blue-green bay that overlooks the entire Kvarner, there is a land for sale with a view of the sea. The land is located in a gentle settlement with vacation homes and family homes, offering a perfect balance of rural surroundings and proximity to the sea and urban amenities. The cadastral plot has a regular rectangular shape, the terrain is sloping, it is accessed by an asphalted road, and the electricity, water and electronic communication

infrastructure is located near the land. Due to its micro-location, configuration, proper ownership and documentation, this land offers an exceptional opportunity to build a family home or vacation home. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
