### Description

Description:	<p>ISTRIA, RABAC - Spacious land with a sea view. On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. In the vicinity of Rabac and Labin, near the fortified town above the blue-green bay that overlooks the entire Kvarner, a spacious plot of land with a view of the sea is for sale. The land is located in a gentle settlement with vacation homes and family homes, offering a perfect balance of rural surroundings and proximity to the sea and urban facilities. The cadastral parcel has a regular rectangular shape, the terrain is slightly sloping, it is accessed by an asphalted road, and the electricity, water supply and electronic communication infrastructure is located near the land. Due to its microlocation, configuration, proper ownership and documentation, this land offers an exceptional opportunity to build a family home or vacation home. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: <a href="http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja">http://www.dux-nekretnine.hr/opci-uvjeti-poslovanja</a> ID</p>
