Description

Description: Viškovo, Large Building Plot For sale is a building plot of 2,389 m² located in the wider center of Viškovo, ideal for the construction of multi-residential buildings. The plot is situated in a very quiet street, with a fully developed access road, which

further enhances its appeal. This plot is one of the few remaining undeveloped parcels in this part of Viškovo, making it extremely attractive to investors and developers. The distance to key amenities such as schools, kindergartens, shops, restaurants, and medical offices is only 500 meters, providing future residents with a comfortable and convenient lifestyle. The land is located at the junction of major traffic routes, allowing quick and easy connections to the surrounding areas. The city of Rijeka is only 8 km away, while the beautiful Opatija Riviera is just a 20-minute drive away. This land represents an exceptional opportunity for the development of residential buildings in an attractive and well-connected part of Viškovo.
