Description

Description: Istria, Motovun, Surroundings Not far from Motovun, on a nearby hill, there is a building plot of regular shape with all the infrastructure on the land. The plot is 800 m² in size and is completely for construction purposes. Water, electricity and

telecommunications are next to the plot. Special conditions for construction have been issued for the plot, currently special conditions for construction with a conceptual project have been obtained. The conceptual project is for a house of 210 m² with a terrace and a pool of 32 m². The land offers a beautiful view of the Istrian hills that can be seen in the distance. With an additional charge, it is possible to purchase an agricultural plot of 2347 m², which is located in the extension of the plot. It is located 11 km from Motovun, 33 km from Novigrad, and 19 km from Buzet. Nearby are famous Istrian winemakers and agritourisms with their wide range of Istrian delicacies. The land is ideal for clients who want to build a house in nature away from the city crowds or for clients who would like to build a holiday home and engage in tourist rental. ID CODE: 1034-71
