Description

Description: MOTOVUN, ISTRIA - luxury villa project with infinity pool and tennis court, 5,865 m² The project was designed as a combination of modern and traditional design in beautiful surroundings of the Motovun hills, which gives this project the soul, character and uniqueness. One of the most famous and desirable micro-locations for growing vines and fruit trees is precisely Motovun and Motovunština, offering a handful of world-class products, from the best Croatian "super" Teran of the Benvenuti family to domestic fruit trees from local producers. All this adds to the importance of this location, which is becoming more and more popular. The land is located near Motovun, which has a land area of 5,865 m², and offers a view of enchanting hills reminiscent of irresistible Tuscany. Project documentation for a luxury villa with a swimming pool and tennis court and the obtained building permit are ready to be handed over to the investor, who by purchasing this project will get exceptional opportunity to own the property, which is purchased according to the BUY - BUILD principle, and work can be started immediately after the notification of the start of construction.
