Description

Description: We are selling this quality one-story house of 121 m² of living space with a spacious garden of 1200 m². The yard consists of an olive grove that surrounds the house in greenery, as well as an auxiliary building of 25 m². The house consists of a hallway, a kitchen with a dining room and a living room with an exit to the yard. The house also has two bedrooms with their own bathrooms, as well as a third bathroom right after the entrance to the house, which is intended for guests. The ground floor is in the final stage of construction, and is being sold completely finished. Although it is in the immediate vicinity of the road, it is "hidden" in an old olive grove. The location is quiet, although Pula is close and it is surrounded by essential facilities such as shops, schools and kindergartens, which makes this property suitable for family life, given the privacy of the house and its garden.
