Description:

Istria, Pula In a quiet part of Pula, just a few minutes from the city center, is this beautiful newly built apartment. It is located at the end of a quiet street, surrounded by greenery and olive trees. All necessary facilities such as shops, schools, kindergartens and other facilities are only a few minutes' walk from the apartment. The apartment consists of an entrance hall that separates the sleeping area from the living area. The living room consists of a spacious kitchen with a dining room that opens onto the terrace and garden. Below is a large living room with access to a covered terrace. The sleeping area consists of two bedrooms and a spacious bathroom. The garden spans 85 m², and right next to the garden there are two parking spaces, which brings practicality. The building was built in 2022. The special advantage of the apartment is that it is located on the ground floor of a small residential building with only three apartments, and it is located at the end of a street surrounded by olive trees and a meadow. This apartment is a special opportunity for anyone who is looking for an apartment near all facilities and therefore ideal for a peaceful family life.
