center you can find a variety of apartments and flats for sale - from rustic stone properties to luxurious new buildings. In the vicinity of Poreč, the construction of three modern villas is planned in a quiet place surrounded by nature. This villa will be located on a plot of land with a total size of 751 m² and its total size will be 168.40 m². The villa is spread over two floors. On the ground floor of the villa, there will be a spacious living room which is connected to the kitchen and dining room according to the open space concept, one bedroom, a toilet and a storage room. Large glass walls have been installed throughout the living room and dining room, which allow a large influx of sunlight, which gives the space itself a large source of light. On the first floor there are two bedrooms, one of which has its own modernly equipped bathroom, as well as a sauna and an anteroom for the sauna and an additional bathroom and a terrace overlooking the pool. From the living room and the dining room you can go directly to the covered terrace where there is a swimming pool that offers a view of greenery, peace and quiet. The size of the pool will be 35.30 m². The heating of the villa on both floors will be made possible by underfloor heating with a heat pump and valve convectors. The garden in front of the villa will be planted and decorated with Mediterranean plants, and the central place in the garden is occupied by a large swimming pool with a sunbathing area that allows complete enjoyment on hot summer days. The planned completion of construction is spring 2024. This property is ideal for tourist rental or family life. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. www.dux-nekretnine.hr/opci-uvjeti-poslovanja
