## Description

Description:

VEPRINAC - Detached house with a spacious garden and sea view! We are selling a great detached house in Veprinac with a sea view! The house is located in a quiet location and is surrounded by greenery. It represents a great opportunity for a family property away from the city noise or a holiday home by the sea, given that the distance to the first beach is 3 km, or about 10 minutes by car. The house is located on a large plot of 850 m<sup>2</sup>, and consists of a ground floor and an upper floor. On the ground floor there is a garage, a tavern and a room intended for a studio apartment. There is a nice terrace in front, which with minor investments can be a perfect place for socializing. On the first floor there is a decorated two-room apartment with a balcony along the entire length of the floor. The facade is in good condition. The house is equipped with pellet heating and air conditioning. An additional potential of the house is the possibility of raising an additional floor/attic and a large garden in which, in addition to several parking spaces and a garden, a swimming pool with a sunbathing area can be built without any problems. The potential of this house is not negligible, while the main advantages are a prominent sea view, a spacious garden and a quiet location.
