#### Description

Description: Located in the hinterland of the tourist-developed Opatija Riviera, is about twenty kilometers from Rijeka. This area is characterized by excellent transportation connections to the highway and proximity to the Slovenian border, which further

enhances its appeal. The land is intended for the construction of a luxury villa. According to the project, the construction of a building with two apartments, each on three floors, with a total area of 200 square meters, is planned. The future owner can start building immediately, as the price of the land includes a completed project based on which a building permit has been issued and the start of construction has been registered. The position of the land is exceptional. It is located at the end of a cul-de-sac, ensuring peace and quiet. The plot offers a panoramic view of the beautiful forest and nature, providing a sense of harmony with the surroundings. The land is southwest-oriented, allowing for many sunny hours during the day, making it ideal for enjoying the sun's rays. We hope that this brief description has conveyed the great potential of this land. For any additional information, please contact us with full confidence. This land represents an excellent opportunity for building a luxury villa in a peaceful and natural environment, while also offering proximity to all necessary amenities and excellent transportation connections.
