Description

Description:	Detached house in an elevated position, 900 meters from the sea, with panoramic views and great tourist potential. The house consists of several floors and has been constantly used for tourism. The basement, slightly elevated from the access road, consists of a two-room apartment with a large terrace, a garage and a storage room with boiler room for the central heating. The first floor has a side entrance and can also be used as a separate space consisting of a two-room apartment and two
--------------	--

rooms, each with its own bathroom and terrace. There is also a swimming pool on the first floor, which can be used by all the residential units. An internal staircase leads to the mezzanine floor, where there is a kitchen with dining tables and access to a large rear terrace with a large barbecue. The first and second floors are identical in layout and each consist of 6 rooms with bathrooms and balconies. All units are air-conditioned and can be used as separate studio apartments. In front of the house there is a large parking lot for 16 cars. ID CODE: 6058
