Description

Description:	<p>For sale is an attractive building plot in an elevated area of Crikvenica, offering a stunning panoramic view of the sea. This plot, with its regular shape and gentle slope, is ideal for various types of construction, whether you plan to build a family house or a building with multiple residential units. The land area is 1837 m², and basic infrastructure (water, electricity, sewage) is available on the plot. This plot offers numerous possibilities for investors and individuals, including the construction of a family house, a multi-residential building, or other residential and commercial projects. Its gentle slope allows for easy construction, and the panoramic sea view makes it exceptionally attractive. Additional advantages of this plot include easy access to all important amenities and infrastructure facilities, as well as a quiet location ideal for living or vacationing, away from the city hustle, yet close to all necessary amenities. Do not miss this unique opportunity to become the owner of an exceptional building plot in Crikvenica, perfect for realizing your construction plans and dreams.
