It is located on the first floor, which is extremely practical. The area of the apartment is 53.60 m ² . It consists of: * kitchens *living rooms *bathrooms *hallway *bedrooms * storerooms The apartment was completely renovated in 2016,
--------------	---

including the replacement of all installations and pipes, which means that there is no need for additional investments in the near future. Also, the new PVC joinery ensures excellent insulation, which contributes to lower energy consumption and a more comfortable stay. The kitchen is modern, with new appliances that have A++ energy efficiency. This means that the devices are not only environmentally friendly, but also economical, which will certainly be appreciated by everyone who lives there. The apartment is equipped with an inverter air conditioner, which is known for its energy efficiency and ability to quickly heat or cool the space. This is a great advantage, because it provides comfort throughout the year, regardless of the external weather conditions. It is sold furnished. Its location and modern equipment make it very attractive on the market, while renovation and energy-efficient appliances guarantee low overhead costs. The apartment has two entrances, from the side entrance you can enjoy the greenery and peaceful surroundings. You can park in nearby streets. You can reach the city center on foot in ten minutes, nearby is the largest shopping center in Istria, Max City. Beautiful beaches and the famous Lungo Mare walk are at your fingertips. Do not miss to see this interesting property in person. We are at your disposal for additional information. ID CODE: 1509884
