Description

Description:	<p>ISTRIA, LABIN - Building land next to untouched nature On a hill above the tourist town of Rabac is the medieval town of Labin, whose old name Albona was first mentioned in 285 AD. Today, it is a cultural and administrative center where the wealth of architecture and cultural and historical monuments is rarely combined so charmingly with numerous art studios and the breath of youth that gathers there, especially in the evenings in cafes. Near Labin and the first beaches, there is a building plot of 1,880 m² for sale. The land is flat, with a few trees. It has a regular shape and is located next to an asphalted road. There is a row of trees between the plot and the road so that the field is hidden from the view of passers-by. It is located on the edge of the construction zone, which ensures privacy and intimacy. Electricity and water are nearby, and the village will soon have sewerage. If you want your own retreat a few minutes from the city center, this plot is right for you. Opportunity! Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 32920</p>
