upper floors you can enjoy magnificent views of the sea just a hundred meters away. We place particular emphasis on energy efficiency and sustainability. Each apartment has a high-energy certificate and the buildings are designed to allow easy integration of a photovoltaic system to generate electricity or solar panels to heat water. Each villa has two apartments, each with its own pool and garden, ranging from 140 m² to 350 m² depending on the apartment. On the first floor there is an entrance area, a living room with dining room, a toilet, a staircase, a covered and uncovered terrace with swimming pool. On the second floor there is a hallway, a master bedroom with en-suite bathroom and large terrace, two double bedrooms and an additional shared bathroom. Construction is scheduled for completion in the second half of 2024. These villas represent the perfect combination of luxury, privacy and proximity to the sea. ID CODE: 6014
