About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description:	<p>ISTRIA, SVETVINČENAT - Building land with conceptual design The Renaissance town of Svetvinčenat is one of Istria's jewels with a rich tourist offer and numerous events held in the attractive historical spaces of this town. Svetvinčenta is decorated with a Renaissance square with a castle, which is the symbol of the place itself. This special town with a rich tradition, with its interesting and diverse programs, the most prominent of which are the Medieval Festival, the Cheese Festival and the Dance and Non-Verbal Theater Festival, attracts many visitors every year. For sale is a beautiful building plot of 746 m², with co-ownership on the way. This exceptional plot is located in an idyllic smaller village a few minutes' drive from Svetvinčent, giving you the perfect balance between quiet country life and proximity to a bigger place. The land has a conceptual project for a floor with a swimming pool, 153 m² with three bedrooms. As the place is authentic, there is no possibility to make a flat roof. The future owner can stick to the existing conceptual project or create his own project according to his wishes and needs. Electricity and water are located right next to the plot, facilitating the process of building your future home. A septic tank must be built to dispose of waste water. There is a possibility of buying a larger area. 1/1 ownership, no encumbrances. This extremely favorable location allows you to</p>
