Description

Description:	<p>ISTRIA, KRŠAN - Building plot with building permit Kršan is a municipality located in the greenery of eastern Istria. It can boast of a rich cultural and historical heritage that in some places dates back to the 11th century, starting from the Krsna Kaštela, where the Istrian Divorce was found, through the Plomin church of St. George the Old, which hides the oldest known Glagolitic inscription – the Plomin inscription, of the western massifs of Učka and the Kožljak castle, the Romanesque church of St. Kirina and frescoes from the 15th century with details depicting the dedication of the famous painter Albert, the town of Čepić and the lake of the same name that dries up and turns into arable fields or from the youngest settlement in Istria - Potpićna. If you want land on which you can immediately start construction, this is the right opportunity for you! It is about 547 m² of construction land located in a quiet place not far from Kršan and Potpićno. The land has a building permit for the construction of a family house with a swimming pool of 40 m². The house is a two-story building, the gross area of the ground floor is 72.92 m², and the first floor is 87.30 m². So a total of 160 m²</p>
