Description

Description:	<p>KANFANAR, ISTRIA - an ideal plot for a family house with a large garden. In Kanfanar, we are selling a plot with a total square footage of 3,518 m², of which 925 m² is construction land, 222 m² is an access road and 2,371 m² is agricultural land located in the continuation of the construction plot. The plot is surrounded by a beautiful dry stone wall, which is a saving of several tens of thousands of euros right from the start! The construction part of the land is located within the construction zone, residential (S) purpose, where the construction of basement + ground floor + 1st floor is allowed. The construction of swimming pools and flat roofs is also allowed. The percentage of construction of the plot is 35%. An additional huge benefit is the complete infrastructure, electricity, water, sewerage and telephone are located along the plot, and the access is directly from the paved road on which there is not much traffic. The place and the micro location are really peaceful and ideal for a family type of life. - Ownership 1/1, no encumbrances. - Valid location information.
