Description

Description:	<p>SPACIOUS APARTMENT WITH GARAGE AND PANORAMIC VIEW We are selling a great apartment on the 1st floor of a house with 5 residential units. The apartment is 250m from the sea, but it is in nature the 1st row, considering that there is a green zone in front of it. It consists of an entrance hall, two spacious bedrooms, a bathroom, a kitchen with a dining room and a large living room with access to a covered terrace with a beautiful view of the sea. The apartment is equipped with air conditioning and is very tidy. In the basement, there is a large garage of 22 m² (with electricity and water), which also serves as a storage room considering its size. We are selling an identical apartment on the 2nd floor that has a better view of the sea at a better price (the only difference is the covered terrace). Excellent real estate for living and tourism.
