Description

Description: Labin area, we are selling a building plot with a building permit. Excellent building land is located just a few minutes by car from the city center. The land is flat and rectangular in shape, which allows you many variations to make the best

use of the environment. A project for a house with a pool of 280 square meters has been made on the land, and the issuance of a valid building permit is pending, which means that construction can begin very quickly. The terrain also has a view of the surrounding hills and is located along a small country road, which provides privacy and peace. In this location, you can really choose whether you want to lead a quiet family life or make your property available to guests and use it for business purposes. Building land near the town of Labina is a real and wise investment. Take the first step towards your new life today and contact us, ID CODE: 2010-12
