quality of construction and finishing details. There are premium anthracite plastic carpentry with three-layer glass, electric blinds, mosquito nets, as well as premium aluminum entrance doors to the building. The facade is insulated with 10 cm Styrofoam, while the terraces are covered with elegant travertine stone. A black fence made of double-layer tempered glass, handmade interior joinery, high-quality ceramics with dimensions of 90 × 90 cm throughout the apartment, and luxurious bathroom elements of the brands Geberit, Grohe and Aquaestil, ensure a high standard of living. Additional comfort includes electric floor heating in the bathrooms, air conditioners in the bedrooms and living room, anti-burglary and fire-resistant entrance doors to the apartments, as well as a video intercom. Knauf ceilings with built-in LED lighting, both working and ambient, further emphasize the sophistication of the space, while LED strips on the terraces create a pleasant atmosphere for evening get-togethers. The apartment also has a practical storage room under the stairs, equipped for a washing machine, and one parking space. This unique opportunity is exempt from real estate tax, and the completion of the construction of buildings A and B is planned for the beginning of 2025, while the completion of building C is expected in the fall of the same year. Don't miss the opportunity! Contact us and arrange a viewing of this extraordinary apartment that can become your new home or an ideal vacation spot. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. //www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 33200
