Description

Description:

ISTRIA, POREČ - Apartment on the ground floor with a garden The coast of Poreč is 37 km long, where there are 21 beaches with the Blue Flag - a symbol of clean sea. The most prominent are the Lotosi beach, the city swimming pool and Pješčana uvala, which are characterized by clear sea and a rich offer of entertainment and recreational content. The coast of Poreč offers boat owners an inexhaustible source of research while they can anchor their vessel in one of the well-equipped Poreč marinas. For those who want to have fun, the terraces of the city are filled with various activities almost every day in the summer. You can also visit fishing festivals, exhibitions and fairs of indigenous products. As part of the gastronomic offer, traditional Istrian cuisine accompanied by excellent wines and local olive oil is essential. This modern building under construction with 4 residential units is located in the immediate vicinity of the center of Poreč. The building is located in an attractive location, a few minutes' drive from the first beautiful beaches and the city center. An apartment on the ground floor with a garden is for sale. The living area is 61.75 m² and two terraces of 7 and 3.80 m². The apartment consists of an entrance hall, kitchen with dining room and living room according to the open space concept, two bedrooms, one of which has access to its own terrace and bathrooms. The living area also has access to a covered terrace. The apartment also has a garden of 150 m². The apartment has one parking space. The apartment will be heated and cooled with fencoliers on a heat pump, and the bathroom will additionally have electric underfloor heating. It is possible to install underfloor heating in the entire apartment for an extra charge. The floor coverings will be made of high-quality Italian ceramics, and at this stage of construction, the future buyer can participate in their selection. Aluminum electric blinds in anthracite color will be placed on all openings, and the insulation will be 10 cm thick. The planned start of construction is by the fall of 2024. The property is included in the VAT system and the price with VAT is displayed. The property can be ideal for family life as well as for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 33252
