sundeck and a view of the entire Zadar archipelago. The apartment has two parking spaces in the garden. The start of construction starts in the 10th month of this year, and completion and occupancy is expected in the 6th month of 2025. The building will be built according to a high construction standard, with high energy efficiency materials. Large sliding glass walls, high-quality carpentry, low-e triple-layer glass with aluminum blinds and roller/fleece mosquito nets will be installed. In addition to the high quality of construction, the location of the property stands out, namely, it is only 30 m from the beach. Of course, all facilities and the town center are in the immediate vicinity. We are available for any additional questions. Sukošan is a small town located in the spacious Zlatna luka bay, along the Adriatic highway, 7 km southeast of Zadar. Sukošan has a kindergarten, an elementary school with a newly equipped sports hall, general and dental clinics, and everything else that makes it a pleasant place to live all year round, and many have recognized it as an ideal place for vacation. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. <https://www.dux-nekretnine.hr/opci-uvjeti-poslovanja> ID CODE: 33292
