# Description

Description:

PRIVLAKA, ZADAR - S1 Luxury new building in the first row to the sea We present to you a new project of a luxury new building in a well-known tourist destination - Privlaci, near Zadar. Privlaka is located on a spacious sandy peninsula, near Zadar and royal Nin, it is 2 km from Nin, 18 km from the city of Zadar, the Paklenica National Park is 30 km away, and the Velebit Nature Park is 50 km away. The airport as well as the ferry is 30 km away. The town of Privlaka offers everything necessary for life; church, school, post office, bank, kindergarten, restaurants, pharmacy, shops and public transport. In addition, due to

its shallow sea, the swimming season in this place is longer than in most other destinations on the Adriatic Sea. The building is located in the 1st row to the sea on the western side of Privlaka and is located along the beautiful 8 km long coastal promenade. All apartments will offer an extraordinary panoramic view of the sea, the islands and the enchanting sunset, which is a truly special experience in this location. Also, it is a quiet location that is surrounded by modern and luxurious new buildings, which really raises the profile of this part of Privlaka. The project of two residential buildings, each with a total of 9 residential units distributed over a total of 3 floors, is located in the 1st row to the sea and in the immediate vicinity of the center of the town and all facilities needed for a complete stay or vacation. The apartment on the ground floor consists of a spacious living room with kitchen and dining room, two bedrooms, bathroom, terrace, garden and one parking space. During the construction, extremely high-quality materials from renowned manufacturers and contractors are used, and the apartments are equipped with top-quality equipment, of which we stand out: - Reinforced concrete construction -10 cm thick mineral wool thermal insulation - Top-quality ALU three-layer carpentry with blackout curtains - Floors made of first-class high-quality ceramics profile (120cmx60cm) (60x60) - Underfloor heating in bathrooms and all rooms -Air conditioning in all rooms The planned completion of the works is scheduled for the end of 2024 or early 2025. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 33385
