Description

Description:	Kastav, plot ready for construction A building plot of 746 m ² is for sale in the Kastav area, ideal for the construction of a family house. The plot is gently sloped, offering a beautiful view of the natural surroundings. Located in a quiet street,
--------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

surrounded by family homes, it provides a perfect sense of privacy and tranquility. Although it is near the main road, the elevated position ensures peace and quiet. The great advantage of this plot is that it is sold with a completed project for a 180 m² family house, consisting of a basement, ground floor, and first floor. A valid building permit has been issued, and all utility fees have been paid. All that is left is to start building – without wasting time on lengthy administrative processes. All necessary infrastructure (electricity, water, telecommunications) is located right next to the plot, and the excellent road connections mean you can be in the center of Kastav or Viškovo, popular family neighborhoods, in just a few minutes. This unique opportunity offers a quick start to construction and peaceful family life in a natural setting. Don't miss this opportunity – the plot is ready for you to build your new home! ID CODE: 2009-46
