Description

Description:	<p>KRK ISLAND, MALINSKA - Small apartment with outdoor garden, urgent sale! Malinska and its entire area is called Dubašnica and is located in the western part of the island of Krk. Until the 15th century, Dubašnica was almost devoid of permanent inhabitants, as was the area south of it, almost to the town of Krk. The name of the area comes from oak and oak, because there are rich forests and pastures with some arable land. Dubašnica was mainly an area of Omišalj, already before the 12th century, but part of it was also held by the Krk people. Malinska, as the center of Dubašnica, was once an island port for the export of wood and a favorite tourist destination of the Viennese aristocracy. It was mentioned in the 15th century as a good anchorage where ships took shelter during strong winds, especially from the south. With the arrival of steamships in 1866, Malinska went</p>

from being a port for exporting wood to becoming a climatic health resort thanks to its mild climate with about 260 sunny days a year. Today, it is one of the island's strongest tourist destinations, known for its numerous beaches and developed hotel industry, as well as family tourism. The beaches in Malinska and on the island of Krk are known as some of the best in Croatia. One of the advantages of the indented and wide coastline in Malinska is that the beaches, wherever you go, are never far away. The diverse coast of the island offers a wide variety of beaches: from rocky, sandy and pebble beaches to hidden coves. Beaches for children, for the disabled, non-swimmers or the elderly, beaches for dogs, beaches for those looking for natural shade and proximity to parking spaces, lovers of sports activities and beach bars, but also an unofficial nudist beach - all this is offered by Malinska. Malinska is one of the destinations that families with children love the most. In addition to extremely good connections and proximity, primarily to Rijeka and Zagreb, Malinska, through its offer of family and hotel accommodation, beaches and catering facilities with acceptable prices, has established itself over the years as a TOP choice for many families. In addition, the security and peace offered by Malinska are a special bonus for all parents looking for a real vacation. An apartment for sale in a quiet settlement, only 2 km from Malinska, ideal for those looking for a peaceful and relaxed life near the sea. This apartment is located on the first floor of the building and consists of a spacious living room, one bedroom, and a functional kitchen with a dining area. The bathroom was recently renovated, which provides additional comfort and a modern look. A special advantage of the apartment is the large attic, with the possibility of upgrading the floor, as well as the 7m² terrace that offers storage space. The apartment is located in a building surrounded by a common yard of 200m², ideal for relaxation or children's play. Although not a condominium, this is a great opportunity for those looking for a property with potential for further development and expansion.
