Description

Description:	<p>KRK ISLAND, NJIVICE - Beautiful flat/apartment with sea view Njivice is the youngest place on the island of Krk, it developed thanks to tourism. In 1930, the first hotel was built and thus the transformation of a small fishing village into today's one of the strongest tourist centers on the island of Krk was initiated. There is a port in the center of the town, along the edges of which beaches stretch on both sides. This is where the central part of Njivica's life takes place: along with numerous restaurants, cafes and pastry shops. Today, Njivice is a tourist center with modern accommodation facilities, dominated by hotels and an autocamp sheltered by the shade of Bjelogorica. Tame and peaceful, Njivice is a summer resort where you will spend a completely relaxed vacation and will surely invite you to come again.
