central part of the apartment is an open space concept that connects the kitchen, dining room and living room, providing an airy and bright space for socializing and relaxing. The apartment also has a storage room, a hallway and two terraces, ideal for enjoying the outdoors. A covered parking space is a practical convenience, especially for protecting the vehicle from weather conditions. The apartment was built in 2006, and has been well maintained, including changing the PVC joinery a few years ago. Heating is provided by air conditioning, which enables energy efficiency and comfort. The apartment is very bright thanks to the large windows. The price of €2,200 per m², taking into account the size, location and condition of the apartment, makes it an excellent opportunity to buy.
