### Description

Description: ISTRIA, RABAC - Land with sea view near the sea On the southeast coast of Istria, where green hills meet the sea, where nature and heritage come together, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, there is a land for sale with a sea view near the sea. The residential land is located in a quiet location, surrounded by nature, family houses and holiday homes, and is accessed from a neat macadam road 60 meters away from the asphalted local road with low traffic intensity. All necessary infrastructure is located near the land. The land has a regular shape and the terrain is partially cleared and in a slight slope. This land with sea view in a quiet village is a perfect opportunity to build a family home or holiday home.
