#### Description

Description:

Istria, Umag Just a few steps from the center of Umag is this beautiful modern apartment with a garage under construction! The apartment is located on the 3rd floor of a new, modern building with an elevator. The total area of the apartment is 55 m2. It consists of a living room with kitchen and dining room, 1 bedroom and a bathroom. The living room leads to a covered terrace. The apartment has a storage room and a garage in the basement of the building. The apartment is built from high-quality materials with heating and cooling via a multisplit cooling system - an air conditioning unit in each room whose working properties ensure maximum comfort and economy. The carpentry will be PVC anthracite color with lifting and sliding balcony walls and built-in blinds in the rooms. The facade will be thermally insulated with a thickness of 10 cm, and the floors throughout the apartment will be made of parquet, except in the hallway and bathrooms, where ceramics will be installed. In addition, the apartment has a telephone, antenna, TV and Internet connection, as well as a built-in intercom installation with video intercom. The price of the apartment includes VAT, and refers to the turnkey phase, which includes a completely finished property without furniture. The planned completion of construction is the summer of 2025. Due to its location and contents, the apartment is an excellent choice for year-round living or for use for tourist purposes. The city center, beautiful beaches, shopping area, school, medical facilities, restaurants, cafes, shops and various other necessary facilities are only a 5-minute walk away. ID CODE: 1027-1049
