Description

Description:	ISTRIA, ROVINJ LUXURY APARTMENT NEAR THE SEA We proudly present the project of a new building that is currently in the ROH-BAU phase of construction, which consists of a total of 6 residential units organized so that there are 2 apartments on each floor. It is a high-quality building located only 500 m from beautiful beaches, crystal clear sea and well-maintained walks with a bicycle path through nature and parks. With this project, you have the opportunity to own one of the rarer properties on our market, located in an important and luxurious
--------------	---

location in the city of Rovinj, surrounded by family houses and modern buildings, just 3 minutes' drive from the city center. The location of the building is ideal for anyone looking for an investment option for the purpose of developing luxury tourism or for all those looking for their own private oasis of peace and privacy in the magical and unmissable Rovinj. DESCRIPTION OF APARTMENTS: These are comfortable and spacious apartments, each consisting of 159 m², and to which all parking spaces belong. The rooms in the apartments are organized so that each of them fully fulfills its intended role, so at the very entrance to each apartment there is a lobby/corridor that separates the private space of the apartment from the space intended for daily life and entertainment. Part of the apartment is intended for daily life and entertainment, it is designed as an "open space" space in which there is a place for a larger kitchen, a comfortable dining room and a larger living room with an exit through a glass wall to a covered terrace where there is a jacuzzi. The private part of the apartment consists of two bedrooms and two bathrooms. An internal staircase leads to the second floor, where there is a comfortable living room with access to a terrace with a wonderful panoramic view. In the second part of the apartment there is a spacious bedroom and bathroom. It also has another room that is intended as a play room. ADDITIONAL AND TECHNICAL INFORMATION: * The apartment is sold turnkey, without furniture. * The price includes underfloor heating in the entire apartment. * They will be equipped with air conditioners in every room. * High-quality carpentry with electric blinds is being installed * The building has an elevator, which connects all floors of the building, including the basement. * Only verified high-quality materials are used during construction. * The planned end of the works and the possibility of moving in is before the start of the summer season in 2025 LOCATION DESCRIPTION: The apartments are located in one of the less frequently available locations on the market, especially when we are talking about the city of Rovinj. Everything you need for everyday life is just a few steps away from the apartment, and one of the greatest features of this location is the peace and privacy it provides, the proximity to the beaches, as well as all other amenities. Thus, the apartments are located in an ideal location for all those who are looking for their opportunity to invest in the development of luxury tourism with a safe return on investment, as well as for all those who are looking for an ideal place for their private oasis of peace and luxury. For any additional questions, necessary information or wish to organize a tour of the apartment, current construction phase and location, please feel free to contact us. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
