floor of the building and includes 2 parking spaces in the yard, which is a great advantage in an urban environment. This apartment impresses with its quality of construction and original design, ideal for buyers with a unique lifestyle. It consists of a spacious entrance hall, a separate toilet and two bedrooms, each with its own bathroom. The living room, kitchen and dining room are spacious and comfortable, with access to two terraces that provide a lot of light and a beautiful view. The modern layout of the apartment provides a pleasant living space, and air conditioners in all rooms provide comfort throughout the year. The immediate proximity of all the necessary amenities such as shops, schools, kindergartens, beaches and the Medulin promenade makes this property even more desirable. The apartment is currently in the phase of finishing works, which allows buyers to choose ceramics and substrates according to their own taste. Completion of the works is expected at the end of May 2024, which means that it will soon be ready for occupancy. All these characteristics make this apartment an exceptional opportunity for a comfortable and luxurious life in an urban environment. We are at your disposal for any additional questions and sightseeing. ID CODE: IS1514095
