Description

Description:

Kaiser Immobilien offers for sale a luxurious modern apartment on the first floor of the building, close to the sea. On the West coast of Istria, in a small Mediterranean and above all the most popular town in Istria, in the city of Rovinj, this new modern project with two buildings of luxury apartments is hidden. It is a completed project with two buildings and a total of 6 apartments. The residential building with 6 apartments is designed in such a way as to ensure a high level of quality, which is achieved through a smart arrangement of rooms, lighting, number of rooms and a high level of built-in materials and equipment. Carefully designed and meticulously planned - your new home. The spectacular upstairs apartment is very spacious, as is the view that surrounds it. This apartment will literally connect you with nature as a luxurious experience that appeals to the senses! The concept of the apartment is designed to meet even the most demanding expectations of the future owner: the emphasis is on large glass surfaces of the balcony openings to ensure the maximum amount of sunlight throughout the day and an above-average horticultural arrangement of the garden with small trees and various plants. The apartment with a total net size of 195.58 square meters consists of three bedrooms and three bathrooms, an open space concept kitchen, living room and dining room, hallway and wardrobe, and a covered terrace of 13.98 square meters, one technical room and a loggia. The apartment has two parking spaces in the garage, and the building itself has an elevator that connects the apartments and the garage.

IMPORTANT NOTE: The seller is in the VAT system, in which case the buyer is exempt from paying real estate tax in the Republic of Croatia.
