Description

Description:

Kaiser Immobilien mediates the sale of a spacious two-story apartment with a garage in Malinska on the island of Krk. The apartment extends over three floors of a newly built building, with a total of two residential units and a total area of 165m². In the basement there is a garage of 49m² and a storage room of 5m². The ground floor consists of a hallway, a pantry, a guest toilet, and a spacious living area of 41m² that includes a kitchen, dining room and living room, and a staircase leading to the first floor. Upstairs there are three bedrooms, two of which have their own bathrooms. Quality materials are used in the construction and furnishing, so the apartment will have cooling and heating via an inverter multisplit system. The living room and rooms will have an internal air conditioning unit. Also, there will be electric underfloor heating in the living rooms and all bathrooms. In the living rooms and bathrooms, the plan is to use ceramic tiles, and high-quality laminate in the rooms. Also, if the apartment is bought during the construction phase, it is possible to choose all the floors as desired (parquet, laminate, ceramic) up to certain amounts. PVC carpentry and electric blinds are being installed on the building. The apartment is located near the local road and all important amenities, just 500m from the sea and beautiful beaches. The property is included in the VAT system, so the buyer does not pay real estate sales tax. The deadline for completion is the end of 2024. The commission of the agency for the buyer is 3% + VAT and is paid in the case of real estate purchase, at the conclusion of the first legal deed. ID CODE 105-246 ID CODE: 105-246
