Description

Description: Kaiser Immobilien is selling a plot of land of 500 m² with a building permit for a house with a swimming pool. This land of regular shape is located in a small, quiet village, 2 km from Motovun. In addition to numerous cultural and historical sights, Motovun is known for its good restaurants and famous winemakers. Motovun and its surroundings can boast of numerous vineyards, recreational facilities that enable active vacations such as grape harvesting, asparagus picking, truffle digging, fishing and many other activities. A house with a net area of 170 m² and a swimming pool of 40 m² will be built on the land. The ground floor contains a kitchen, a dining room and a living room with access to a covered terrace, an entrance area, a toilet and a technical room. Upstairs there are three bedrooms, one with its own bathroom, while the other two share a bathroom. Living spaces in the building will be heated and cooled by heat pumps of the air-air system in the design of a multi-split system with external and internal units, with distribution of

the working medium (R410 A, R32, ...). Hot water consumption will be solved by installing a central electric boiler with an integrated heat pump. The infrastructure is located next to the land. Proximity to all facilities and excellent connectivity make this location extremely practical and attractive for everyday life or as an investment. (Karojba 5km, Motovun 2km, Poreč 28km) There is a possibility of buying neighboring land with a similar project, providing additional flexibility in planning. The intermediary commission of the agency for the buyer is 3% + VAT.
